A Different Back2School

The start of this school year was different for everyone across the state of Michigan. Whatever the challenges we face in this world, we will always come together for our children. We couldn't do this without the support from our friends at the Mike Morse Law Firm and First Presbyterian Church of Birmingham. Their donation of school supplies and backpacks helped make sure whether at home or in the classroom our kids have the supplies they need to succeed.

The education of our kids is important! We wish you all the very best of luck this school year. To every child, mom, dad, grandparent, sibling, caregiver, and foster parent we are rooting for you!

"Together may we give our children the roots to

grow and the wings to fly."
